LEGENDA/LEGEND

Limite Proprietà Esistente	Existing Property Boundary
Limite Proprietà Progetto	Project Property Boundary
Limite Area Impianto	Plant Area Boundary
Limite Area Impianto Progetto	Project Plant Area Boundary
Limite Area Impianto Esistente	Existing Plant Area Boundary
Limite Area Impianto Esistente da Demolire	Existing Plant Area Boundary to be Demolished
Limite Area Impianto Esistente da Mantenere	Existing Plant Area Boundary to be Maintained
Limite Area Impianto Esistente da Modificare	Existing Plant Area Boundary to be Modified
Limite Area Impianto Esistente da Rimuovere	Existing Plant Area Boundary to be Removed
Limite Area Impianto Esistente da Sostituire	Existing Plant Area Boundary to be Replaced
Limite Area Impianto Esistente da Spostare	Existing Plant Area Boundary to be Moved
Limite Area Impianto Esistente da Trasformare	Existing Plant Area Boundary to be Transformed
Limite Area Impianto Esistente da Ampliare	Existing Plant Area Boundary to be Expanded
Limite Area Impianto Esistente da Ridurre	Existing Plant Area Boundary to be Reduced
Limite Area Impianto Esistente da Demolire e Ricostruire	Existing Plant Area Boundary to be Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare	Existing Plant Area Boundary to be Maintained and Modified
Limite Area Impianto Esistente da Mantenere e Rimuovere	Existing Plant Area Boundary to be Maintained and Removed
Limite Area Impianto Esistente da Mantenere e Sostituire	Existing Plant Area Boundary to be Maintained and Replaced
Limite Area Impianto Esistente da Mantenere e Spostare	Existing Plant Area Boundary to be Maintained and Moved
Limite Area Impianto Esistente da Mantenere e Trasformare	Existing Plant Area Boundary to be Maintained and Transformed
Limite Area Impianto Esistente da Mantenere e Ampliare	Existing Plant Area Boundary to be Maintained and Expanded
Limite Area Impianto Esistente da Mantenere e Ridurre	Existing Plant Area Boundary to be Maintained and Reduced
Limite Area Impianto Esistente da Mantenere e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere	Existing Plant Area Boundary to be Maintained and Modified and Removed
Limite Area Impianto Esistente da Mantenere e Modificare e Sostituire	Existing Plant Area Boundary to be Maintained and Modified and Replaced
Limite Area Impianto Esistente da Mantenere e Modificare e Spostare	Existing Plant Area Boundary to be Maintained and Modified and Moved
Limite Area Impianto Esistente da Mantenere e Modificare e Trasformare	Existing Plant Area Boundary to be Maintained and Modified and Transformed
Limite Area Impianto Esistente da Mantenere e Modificare e Ampliare	Existing Plant Area Boundary to be Maintained and Modified and Expanded
Limite Area Impianto Esistente da Mantenere e Modificare e Ridurre	Existing Plant Area Boundary to be Maintained and Modified and Reduced
Limite Area Impianto Esistente da Mantenere e Modificare e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Modified and Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Spostare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Moved
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Trasformare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Transformed
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Ampliare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Expanded
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Ridurre	Existing Plant Area Boundary to be Maintained and Modified and Removed and Reduced
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Modified and Removed and Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Trasformare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Transformed
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Ampliare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Expanded
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Ridurre	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Reduced
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Trasformare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Transformed
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Ampliare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Expanded
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Ridurre	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Reduced
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Trasformare e Ampliare	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Transformed and Expanded
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Trasformare e Ridurre	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Transformed and Reduced
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Trasformare e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Transformed and Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Trasformare e Ampliare e Ridurre	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Transformed and Expanded and Reduced
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Trasformare e Ampliare e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Transformed and Expanded and Demolished and Rebuilt
Limite Area Impianto Esistente da Mantenere e Modificare e Rimuovere e Sostituire e Spostare e Trasformare e Ampliare e Ridurre e Demolire e Ricostruire	Existing Plant Area Boundary to be Maintained and Modified and Removed and Replaced and Moved and Transformed and Expanded and Reduced and Demolished and Rebuilt
